

STOCKPORT COMMUNITIES COUNTERING HATE

Participants are led through the emotional journey of radicalisation, extremism to see how people are drawn into extremist ideas and groups.

A unique interactive 1.5 hour workshop designed for community groups to combat hateful ideologies and build resilience.

This workshop is a multimedia workshop that combines academic knowledge, personal experience and testimonies.

DATE: Tues 21st January 2025

TIME: 10am- 11:30am

LOCATION:

Stockport Masonic Guildhall
169-171 Wellington Road South,
Stockport, SK1 3UA

Workshops are led by leading experts in the field of extremism and are sensitively adapted to demonstrate the real effects of extremist narratives and the vulnerabilities of those who become drawn into them.
