

Dementia research community day

**Tuesday the 28th of May 10am – 3pm at
Gorton Monastery
free lunch provided**

**Would you like to hear about the exciting dementia
research happening right now, and learn how you can
shape this work?**

**The day is designed for people affected by dementia, either
living with dementia or caring for someone living with
dementia.**

**There will be opportunities to learn about research,
community groups and dementia support through, talks,
stalls and exhibitions.**
