

Deckchair Care's 'Welcome Cafe' at Elm Road.

Starting on Monday 6th September 2021

The 'Welcome Cafe' is open to all members of the local community, especially to those who suffer with Alzheimer's / Dementia and their Carers.

In partnership with Gatley URC, our aim is to provide a safe space for people to come, make friends and feel supported. We're inviting older members of the local community to come and join us for some fun, rest and relaxation!

Each week there will be a number of activities, hosted by some of our lovely care team. You're also welcome to come along and have a natter with us in the beautiful cafeteria. Everyone is welcome!

This is a non-profit making event. A voluntary donation can be made - all proceeds go to the running of the cafe.
