

PARKINSON'S POP IN

Do you have a question about Parkinson's that cannot wait until your next appointment?

Do you want to access specialist advice and support?

The Parkinson's nurse service in Stockport (supported by Parkinson's UK) is hosting drop in sessions for patients.

Bring your question to the session and it will be answered by your local specialist. What we don't know, we'll find out for you!

Access will be for people who:

- Have a confirmed diagnosis of Parkinson's
- Have a question ready! Please bring this on the day

The session will also be an opportunity to meet other people with Parkinson's.

If you are unable to attend on your own, please bring someone to support you.

Please note: the session is not a substitute for a clinic appointment, so we will be unable change medication or process referrals on the day.

INTERESTED?

To book your place, please call the Community Neurorehabilitation Service on 0161 2044618.

Please note: there will be a limit of 30 people per venue (including carers).

**The next session will be on Wednesday 6th November
at Marple Senior Citizens Centre, Memorial Park,**
