

# WorkWell in Stockport

## Join us in supporting Stockport residents with health conditions to thrive in the workplace

WorkWell collaborates with local services and professionals to provide holistic work and health support for individuals facing health-related challenges. Individuals can access WorkWell whether employed, self-employed, or recently unemployed.

### What we offer:

- Access to a dedicated Work and Health coach
- Personalised support plans tailored to the physical and mental health needs of clients
- Referrals to local health and wellbeing services, assessments and treatment, and non-medical wellbeing support
- Impartial careers advice and training opportunities for job seekers
- Tailored coaching support to help residents access the right support at the right time and achieve work & health goals

### How to refer clients:

WorkWell accepts referrals from local agencies, Jobcentres, health professionals, and community organisations. Together, we can help more people in Stockport overcome health-related barriers to retaining work or returning to work.
